

**DOMAINE
CHAPEL**

Domaine Chapel

A blend of several parcels from the mountainous villages of Lantignié and Régnié-Durette.

The average altitude of the east and southeast facing parcels is 380 meters. The shallow soils are mainly composed of sandy "gore" from decomposed-pink-granite. The average vine age ranges between 40 & 50 years old.

Wine profile

Bright, energetic, griotte cherry

A Philosophy of Winemaking

Whole cluster; Semi-carbonic maceration about 10 days, indigenous yeast.

Aging

In fiber for an average of 7 months. Un-fined and unfiltered.

Appellation: Beaujolais-Villages

Lieu-dit: Lantignié

Grape Variety: Gamay Noir à Jus Blanc

Alcohol: 12,5%

Soil composition: Acidic and decomposed pink granitic "Arène".

Culture : Conversion Bio

Harvest: Hand harvested with stems and berries intact. Carefully sorted.
